

WIN £10,000

of Clinical Lighting Solutions, designed by

 **visualite**

Visualite is teaming up with SALUS Global Knowledge Exchange to donate a £10,000 prize of Visualite Clinical Lighting Solutions and two complimentary tickets to the prestigious European Healthcare Design 2018 Congress, held from 11-13th June at the Royal College of Physicians, where the winning team will be presented with the donation.

The judging panel:

Stephanie Williamson

Deputy Director of Development,
Great Ormond Street Hospital for Children

Dr. Robin Baddeley

Editorial Registrar,
BMJ

Jonathan West,

Senior Fellow, Helen Hamlyn Centre
for Design, Royal College of Art

In collaboration with:

Eligibility

Any department treating and caring directly for patients in any healthcare facility operating within the primary, community, secondary or tertiary care sectors within the United Kingdom is eligible to enter the competition. This includes but are not restricted to medical wards and clinical departments of general, district, specialised and teaching hospitals and clinics. Winners will be invited to participate in the European Healthcare Design 2018 Congress (www.europeanhealthcaredesign.eu) to accept the donation.

Application Process

Applicants to receive the donation will be required to complete the application form by the deadline of **12noon on 30th March 2018**, demonstrating their suitability to receive the donation according to the criteria set by the competition organisers. All applications must also include an award nomination letter from a senior board level executive in support of the department's submission.

Application Form:

1) Demonstrate your knowledge of the impact of the environment on patient recovery

2) Describe your department's vision for its interior environment

3) Will the donation support existing investment or provide new investment in the interior environment?

4) Describe the patient profile and how they and their families/visitors will benefit

5) Describe the staff profile and how they will benefit from the donation of a Visualite solution

6) Would you support us to conduct a post-installation evaluation of the Visualite solution?

7) How will the department benefit from participating in European Healthcare Design 2018?

8) Would you be interested in learning more about Visualite solutions?
